

# SAVE LIVES: Clean your hands

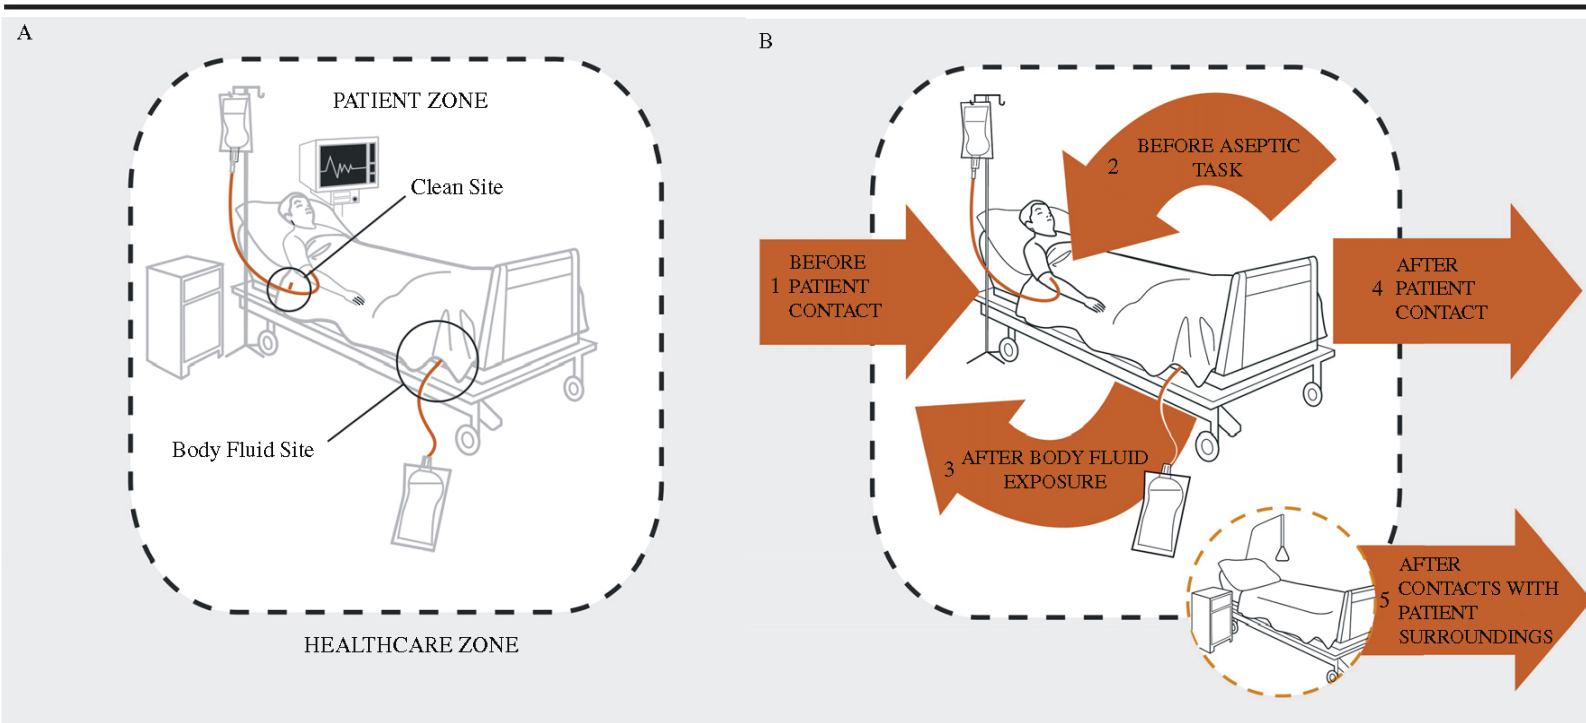

SAMAD IVF HOSPITAL  
TRIVANDRUM

WHO PATIENT SAFETY PROGRAMME  
SAVE LIVES: CLEAN YOUR HANDS

CLEAN CARE IS SAFER CARE  
MY 5 MOMENTS FOR HAND HYGIENE

AN AWARENESS CUM EVALUATION MEETING  
AT 3 PM ON 5.5.2011  
AT CONFERENCE HALL (No. 512)

**Figure 2** Unified visuals for 'My five moments for hand hygiene'. Patient zone defined as the patient's intact skin and his/her immediate surroundings colonised by the patient flora and healthcare zone containing all other surfaces. (A) Symbols for clean site and body fluid site, two critical sites for hand hygiene within the patient zone. (B) Zones and sites with inserted time-space representation of 'My five moments for hand hygiene'.
